

**GYNECOLOGY & OBSTETRICS
ASSOCIATES OF TALLAHASSEE**
CARING FOR GENERATIONS OF WOMEN

Gynecology and Obstetrics Associates of Tallahassee is looking for dynamic, full-time Certified Nurse Midwives and Women's Health Nurse Practitioners to join our amazing team! Full scope of women's health and midwifery care, including well-women checks, family planning, prenatal, intrapartum and post-partum care. Candidates are expected to provide excellent patient care, demonstrate caring bedside manner and high emotional IQ to build a great rapport with patients.

Responsibilities include:

- Routine annual GYN exams
- Problem visits
- GYN consults
- OB visits
- Performing minor procedures
- Contraception, IUD & Nexplanon insertion
- Ordering and reviewing appropriate diagnostic tests
- Proper charting (EMR-based)
- Patient education
- CNMs will rotate taking call

Requirements:

Certified Nurse Midwife -

- Graduated from fully accredited midwifery program
- Florida license (or ability to obtain) and certification (CNM) by the American College of Midwifery
- DEA license or ability to obtain

Advanced Registered Nurse Practitioner (Women's Health) -

- Graduated from fully accredited nurse practitioner program
- Florida license as ARNP (or ability to obtain), with focus in women's health, and Board certification (WHNP)
- DEA license or ability to obtain

Competitive salary plus comprehensive benefit package. Malpractice insurance and professional dues are paid by the office.

Tallahassee is located in the panhandle of North Florida with beautiful beaches just a short drive away!

*Will consider recent graduates!

Send resume with cover letter and salary requirements to Jessica R. Miller, Practice Administrator, at: Jmiller@goatallahassee.com. No phone calls or solicitations, please.

We value and promote diversity and are an Equal Opportunity Employer!
