

Esther Pavlovsky, MS, RN

Esther is a 3rd year DNP student. She received her nursing bachelor's degree and her MSN from NYU. As the Senior Director for Care Continuum at Mount Sinai Health System in New York City, Esther is responsible for the health system's post-acute care strategy, operations, and nursing care management. Esther leads a team of population health nurses and therapists who focus on quality, outcomes, and utilization by patients in the community. She spent 10 years in post-acute care operations, where she was a Regional Director and Administrator at Premier Home Health Care. Her presentation is entitled, "*Evaluation of a Nurse-Led Telephonic COPD Self-Management Program on Health Care Utilization*".
