

Guidelines for Poster Abstract Writing and Submission

15th Annual YNHHS Janet Parkosewich Nursing Research and EBP Conference

April 13, 2023

Abstract topics may include a focus on completed or in-progress research, evidence-based practice (EBP), or quality improvement projects. Graduate or undergraduate student projects are welcome.

Abstract selection is competitive. Please be sure that all contributing authors have reviewed and approved the abstract prior to submission. Follow instructions carefully. To be considered for a poster presentation, authors must complete all of the abstract elements as directed on page 2. Please name the abstract Word file using the naming convention described below.

Submission deadline is 5 pm on February 3, 2023

1. We recommend you create your abstract on a word document and cut and paste into the website.
2. Complete the sections of the abstract using the prescribed character limits with spaces as indicated below:

Title: No character limits

Background/Significance: Discuss background information that is relevant to the project and why the topic is important.
Limit 500 characters, including spaces

Purpose: What was the purpose (aim) or goal of the project?
Limit 500 characters, including spaces

Method: Describe project design (theoretical approach, EBP model or PI process model), context/setting, participants, intervention(s) used, and evaluation process.
Limit 700 characters, including spaces

Results: Present the findings/outcomes
Limit 700 characters, including spaces

Nurse Resident Projects: Present your literature review findings & evidence synthesis as your results

Conclusions: Interpret the results. Summarize implications for practice, policy, or research.
Limit 500 characters, including spaces

Nurse Resident Projects: Present your recommendations for practice

6. Each abstract will be evaluated through a peer review process using the following criteria:
 - Topic is relevant to nursing practice
 - Background information and importance are relevant and summarized well
 - Purpose is clearly and concisely stated
 - Design and methods are thoroughly explained
 - Results are clearly presented
 - Conclusions are supported by results and implications for practice, policy, or research included
7. Abstracts will be judged by a panel of independent experts. All authors will receive notification of abstract acceptance or declination by February 22, 2023. The top 10 abstract authors will be invited to submit their completed poster to be judged for selection as a top 3 finalist. **Authors of abstracts accepted for presentation must follow the poster template requirements found on the YNHHS Nursing Research Conference website.**
8. Top 3 poster authors will be notified prior to the conference and expected to participate in a zoom dress rehearsal prior to providing a 5-minute oral summary of their poster during the conference.
9. At least one author must register for the conference.
 - Non-YNHHS employees or non-Yale School of Nursing participants, please email megan.oakes@ynhh.org with your name, credentials, affiliation, email address, and telephone number.

If you have any poster abstract submission questions, contact megan.oakes@ynhh.org
