YELLOW ARROWS DENOTE THE RECOMMENDED REPORTING CHAIN FOR TITLE IX AND DHR

Yale University's Discrimination and Harassment Resource (DHR) Coordinators, the Office of Institutional Equity and Accessibility (OIEA), and the Title IX Coordinators specifically have been charged by the University with receiving and responding to concerns about sexual misconduct, discrimination, harassment, and retaliation under this policy. Yale School of Nursing (YSN) DHR and Title IX Coordinators are a school's best resource in discussing a concern related to sexual misconduct, discrimination, harassment, or retaliation, particularly as the coordinators will be knowledgeable about resources specific to their school or college.
