

Ron E. Yolo, MSN, MBA, RN

Ron Yolo currently serves as the Chief Nursing Officer (CNO) at Dignity Health Glendale Memorial Hospital & Health Center in Glendale, California. During his current tenure as the CNO, he and his team were able to achieve a Centers for Medicare & Medicaid Services (CMS) 5-star and Leapfrog "A" designation-a first ever for Glendale Memorial hospital. He is also the appointed lead CNO for the 7 Los Angeles area hospitals for CommonSpirit Health's Southern California division, where he collaborates with 6 other Chief Nursing Officers and leading over 7,000 nurses in the provision of high quality, compassionate, and safe patient care.
