

Dementia Nursing Curriculum

Volunteers Needed

What: Review 1-3 case studies about people living with dementia and their care partners. The case studies will be included in a dementia care curriculum for nurses.

When: August & Sept. 2024

Where: Virtually via Zoom

Time Commitment: 45-90 minutes

Are you a person living with **dementia**? Are you currently a **care partner** for someone living with dementia?

Earn a **\$100 gift card** while you meet virtually with a psychiatric nurse practitioner about case studies for nurses!
